

Photo Exhibit and Contest, June 9, 2019, Pierce House
The weather is getting so nice! Time to grab your camera and photograph sculptures galore!

The Lincoln Garden Club is having its third Photo Contest, inspired by the upcoming Lincoln Tree Tour event to take place at DeCordova Museum on June 9, where we will have a tour of trees and sculptures at the museum grounds.

This time, the Photo Contest will focus on sculptures. You can submit up to 4 pictures of sculptures, indoors or outdoors, located anywhere in the world.

The photos don't need to be recent. You are fine as long as you took them!

This contest is open to residents of Lincoln and abutting towns.

The photos will be displayed at the Lincoln Tree Tour Photo Exhibit, at the Pierce House, on June 9, from 5 pm to 7 pm, during a Champagne Reception to celebrate the Tree Tour at DeCordova.

The Reception attendees will vote on their favorite shots and elect the winner, who will receive a Stonegate Gardens \$50 gift card (THANK YOU, STONEGATE!), as well as a Lincoln Garden Club Award Certificate.

Your pictures will support the Lincoln Garden Club by embellishing our brochures, website and other promotional materials (you, of course, retain the copyrights) and by raising funds to support the Lincoln Tree Tour Project.

You have up until May 21st to submit your best shots!

Looking forward to your entries. ;-)
Daniela
